

Our Pillars of Guidance

At Mount Fort Academy, leadership is not just about direction but about inspiration and transformation. Our experienced and visionary leaders are dedicated to fostering a culture of excellence, integrity, and innovation. With a commitment to academic rigor and holistic development, they guide students to unlock their true potential. Through strategic initiatives, mentorship, and a student-centric approach, our leadership ensures that every child at MFA grows into a confident, responsible, and future-ready individual.

The MFA Spectrum

The MFA Spectrum encompasses a diverse and enriching educational experience that nurtures intellectual curiosity, creativity, and character development. From academic excellence and sportsmanship to artistic expression and leadership programs, our holistic approach ensures well-rounded growth. Students engage in STEM education, cultural activities, life skills training, and social responsibility initiatives, preparing them for a dynamic world. At MFA, learning extends beyond classrooms, shaping confident, capable, and compassionate individuals.

Dr. Pooja Jain is director of the school.

From director's desk – Director's message – Her passion for education as a tool for social transformation has driven her to absorb rich and holistic experiences across all facets of school education." 'Great leaders don't set out to be a leader, they set out to make a difference...it's never about the role, always about the goal.' Our aim is to impart Man making Education and to achieve it we impart integrated education to children, drawing the best from Indian culture and traditions of the past. We develop their personality on

progressive lines with comprehensive mental outlook, self-confidence based on sound character and good conduct to face the future eloquent. Children are the most precious possession of a nation. To bring them up in an environment which helps them grow physically, intellectually and spiritually is the greatest service to the organized society. Thus, the vision of the School is to impart quality education, coupled with latest technological advancements and imbibing human values, ethos and sanskaras in the students with a spiritual blend. The school aims at training and regulating children's thinking in such a manner that they become successful men and women in their chosen field of activity and at the same time remain attached to moral and ethical values which ensure happiness and continuity of success achieved in life. The learning process and the value inherited in school by the students are further executed by them in the society for the service of humanity. With a great team of teaching staff and excellent students, I expect a continuous and sustainable advancement in learning and teaching in MFA. My expectation is high on the quality of our teachers in classroom teaching and facilitating students' development in multiple intelligence outside classroom. It is my responsibility to continue the excellent culture of MFA and maintain sustainable advancement in the future. "You must be the change you wish to see in the world". If your actions inspire others to dream more, learn more, do more and become more, you are a leader. From now on, the spirit of MFA is deeply rooted in my mind – "Once in Mount Fort, be with Mount Fort forever

What Makes Mount Fort Play Exceptional –

1. Immersive Learning through Discovery

Our classrooms are vibrant, interactive spaces where children engage in hands-on learning through sensory-rich environments, nature walks, and imaginative play zones. Exploration stations encourage them to see, touch, hear, and experiment with new concepts, fostering creativity and curiosity in every corner.

2. Customized Curriculum for Every Learner

3. Play that Stimulates the Mind and Body

4. Fostering Emotional Resilience and Social Skills

5. A Platform for Creative Exploration

6. Supportive Educators Who Inspire Confidence

Be Future Ready with MountFort Play

Mount Fort Play is a preschool that concentrates on Future Skills, which are skills that will always be

useful to children. We give your children the opportunity to polish their Logical-Reasoning abilities by identifying difficulties and producing viable solutions in order to reach a decision.

MF Play focuses on building mental capacities, perspectives, and mastery of these 9 future skills through

an integrated and interdisciplinary approach to learning.

Admission Open 2026-27

At Mount Fort Academy, we nurture “Learners Today, Leaders Tomorrow” by focusing on the overall development of every child. Admissions for the academic year 2026–27 open on 22nd September 2025 for students from Toddlers to Grade IX (Science/Commerce) and Grade XI (Science, Commerce & Humanities).

Why Mount Fort Academy?

Holistic Development

We go beyond academics—balancing studies with sports, co-curricular activities, and life skills to shape confident and responsible individuals.

Sports Excellence

Students can actively participate in Basketball, Cricket, Chess, Skating, and Yoga, cultivating discipline, teamwork, and resilience.

Co-Curricular Vibrance

Through debates, dance, cultural programs, and creative arts, every child finds opportunities to build confidence, communication, and expression.

New Horizons in Learning and facilities available in the school are as follows--

We are expanding academic choices to give our students an edge in their future careers:

1) Psychology in Grade XI – to deepen understanding of human behavior and open paths to counseling, mental health, and HR.

2) Music in Grade IX – to inspire creativity, self-expression, and artistic growth.

3) Artificial Intelligence in Grade IX – to equip learners with skills in robotics, coding, and future technologies.

Future-Ready Campus

With AI and Robotics labs, Computer Labs, and Art and Craft studios, we provide hands-on learning environments that spark innovation and creativity.

Dedicated Faculty

Our experienced educators ensure personalized attention, guiding each student to unlock their potential.

Join us in our mission to develop future-ready learners in a supportive and inclusive environment.

Mount Fort Academy’s Curriculum: below is the Curriculum of the school
The Path to Academic Success

Mount Fort Academy is affiliated with the Council for the Indian School Certificate Examinations (CISCE, New Delhi), which conducts the ICSE (Class 10) and ISC (Class 12) examinations. The CISCE curriculum emphasizes a holistic and balanced approach, integrating languages, arts, and practical knowledge alongside core subjects. It offers a broad range of subjects providing students with flexibility, in choosing their subjects. The school promotes in-depth learning, critical thinking, and a project-based approach to education. Following a percentage-based grading system with detailed assessment criteria, CISCE is widely recognized for its strong emphasis on English, making it a preferred choice for students aspiring to pursue higher education globally. Mount Fort Academy is dedicated to nurturing individual talents and providing holistic education to children, aspiring them to become great citizens of the country in the years to come.

Curriculum of the school for Foundational Stage:

At Mount Fort Academy, our early childhood curriculum (Toddlers to UKG) focuses on hands-on learning, allowing children to explore concepts through sensory activities and real-life experiences. Toddlers (2-3 years) engage in motor skills and language development, while PKG (3-4 years) introduces basic literacy, numeracy, and social skills. LKG (4-5 years) strengthens communication and problem-solving, and UKG (5-6 years) prepares children for formal schooling with reading, writing, and numeracy. Our approach nurtures curiosity, creativity, and confidence, making learning engaging and meaningful. We follow the curriculum designed by R&D department of CISCE in alignment with NEP 2020 to enable our students to develop 21st century skills.
